PROFILE

Product designer with seven years of experience shaping consumer and B2B products. Comfortable from early research through polished interface design and handoff.

EXPERIENCE

Lead Product Designer, Fintech Co **Mar 2021 – Present**

- Led design for a savings app used by 400,000 customers, raising onboarding completion from 54% to 71%.
- Built a component library in Figma adopted by four product teams.
- Ran 30 usability sessions per quarter and turned findings into a prioritized roadmap.

Product Designer, Atlas Travel **Aug 2018 – Feb 2021**

- Redesigned the booking flow, reducing drop-off at payment by 18%.
- Partnered with engineering to ship an accessible date picker meeting WCAG 2.1 AA.

UX Designer, Studio North **Sep 2016 – Jul 2018**

- Delivered wireframes and prototypes for fifteen client projects in retail and media.
